Dear Sugeng,

I am Muhamad Sauzan Rizki Asakir, a graduate of Informatics major from Assalaam Vocational School Bandung. I am writing this to apply for an IT Support position in your company. I would appreciate you in considering placing me in this role.

I believe I meet all of the listed requirements. With 3 months internship experience as Back-end developer in your company, I can create and develop web-based applications.

My ability to analyze, communicate and work in a team or individually. I believe that the competence that I have can fulfill my duties and can make a good contribution to your company.

Attached is my resume, detailing my training and experience. Thank you for your consideration. I hope to hear a reply from you soon.

Best regards,

Muhammad Sauzan Rizki Asakir
